Education:

The University of Texas at El Paso

Ph.D. in Computer Science

Dissertation: *A Bottom-Up Modeling Methodology Using Knowledge Graphs for Composite Metric Development Applied to Traffic Crashes in The State of Texas*

El Paso, TX

May 2019

The University of Texas at El Paso

Master of Science in Computer Science

Thesis: *Integration of Heterogenous Traffic Data to Address Mobility Challenges in the City of El Paso*

El Paso, TX

May 2017

The University of Texas at El Paso

Bachelor of Science in Computer Science

Graduated with Honors, *Cum Laude*

El Paso, TX

May 2015

Experience:

Assistant Professor of Instruction

Department of Computer Science
The University of Texas at El Paso

El Paso, TX

September 2024 – present

Education, Workforce, & Professional Development Lead

Institute for Applied AI Innovation
The University of Texas at El Paso

El Paso, TX

October 2025 – present

Visiting Assistant Professor

Department of Computer Science
The University of Texas at El Paso

El Paso, TX

September 2020 – August 2024

Laboratory & Research Coordinator/Lecturer

Department of Computer Science
The University of Texas at El Paso

El Paso, TX

August 2019 – August 2020

Ph.D. Research Associate

Department of Computer Science
The University of Texas at El Paso
iLink Research Labs @ Cyber-ShARE

El Paso, TX

August 2016 – May 2019

Teaching Assistant – Lead TA

Department of Computer Science
The University of Texas at El Paso

El Paso, TX

August 2017 – January 2018

Associate Programmer

GHG Corporation - Lockheed Martin/Leidos Storefront

El Paso, TX

July 2014 – February 2017

Undergraduate Assistant I
Office of Registration & Records
The University of Texas at El Paso

El Paso, TX
January 2013 – July 2014
